

These terms and conditions apply to the 'Lead to Empower' program organized by BrandedU. It is your responsibility to read and understand our cancellation policies. We are happy to answer all your questions and personally help you further.

Payment

The program fee covers all training expenses including travel, food and accommodation costs.

Payment in full amount needs to be ensured no later than 6 weeks before the start of the program.

All payments are non-refundable but may be transferred to a future date.

If you need to reschedule your participation please email us, we are here to help out. The latest time to reschedule is 2 weeks in advance so we can change your flight arrangements.

Travel Insurance

We HIGHLY RECOMMEND purchasing your own travel insurance so your trip fees will be covered in case you have to interrupt your stay in Spain for personal reasons.

Travel Schedule

We will make sure to keep you updated on the flight schedule which is subject to change until the day of your flight as the flight operator reserves the right to carry out a change to the timetable.

COVID-19 Policy

We will be keeping you posted on any changes concerning Covid-19 rules and regulations. If there are any extra costs (hotel/transportations) incurred because of Covid-19 within 2 weeks of departure, BrandedU will pass on the incurred cost to the attendee.

The health and safety of our staff and guests is our top priority. We ask that you follow these guidelines to keep yourself and others safe and healthy.

- If you are not feeling well, have a cough, fever, or experiencing other flu-like symptoms, we ask that you please stay home. If you have tested positive for COVID-19 or have been in close contact with someone who has, we ask that you please stay home. We will work with you to reschedule your program.
